Pursuant to the Resolution 2023-05, passed at the August 8, 2023, Council Meeting, the utility bills will be increased by \$5.00 beginning October 1, 2023. If you would like a copy of the resolution, it can be found on our website or at Town Hall.

STATE ARCHIVES We are planning to take a load of archive documents from Town Hall to be preserved at the State Archives in Cheyenne. If you happen to have anything of historical significance to the Town of Hudson, please get in contact with Town Hall to discuss including your items.

PLEASE CLEAR A PATH!! Property owners are responsible to make sure their water meter is accessible. Many meters were estimated this month due to being snow covered or not able to get to them. Per Ordinance, the OWNER of the property is responsible and may be charged an **ADDITIONAL \$40 FEE** if your meter is unreadable or inaccessible. **Winter is here. Now is the time to make sure your meter is clear.**

NOTICE TO DOG OWNERS: Please be considerate of your neighbors and clean up your yards and after your dogs. Make sure you know where your dog is at all times. Dogs running at large are not allowed and will be reported to the Sheriff's office.

Permits: There are Town Ordinances regarding mobile homes, buildings, fences, etc., so please make sure to read and check on building permits, mobile home/trailer permits, or home improvements, etc. You can find the Town Ordinances on our website under the government tab.

MAYOR'S MINUTE

Hudson's WWDC Level 1 Master Plan was approved and now waits for approved funding. Hudson Draw was cleaned with the help of the Wyoming Honor Farm. The sewer lift station parts are not received yet and I hope for a January installation. Hudson's new Digital sign (donated by the WRVC) is ordered and hopefully be installed in January. I have been busy with work on FCAG's pitch to the Governor's State Shooting Complex Task Force promoting the selection of property in Fremont County. The HERO Grant Application is downloaded and available on the town's website. Letters were sent to Hudson's businesses regarding the HERO application and asking to connect with them to identify Hudson community needs. The Town ordinances have been scanned and have been downloaded on Hudson's website. We have received several applications for a Town Code Enforcement Officer. Town Council and I will be scheduling interviews soon. WyDOT Speed Study is requested, and we are searching for grant fund opportunities to pay for radar speed sign installation, if approved. Hudson Cemetery committee: please contact Kathy at Town Hall if you care about the condition of Hudson's Cemetery and would like to help improve it. Fremont County Historical Society came to Hudson for a day to help inventory historical items on Hudson's History. Sometime in February, I hope to deliver the documents (minute books, newspaper articles, and photographs, etc.) to the Wyoming State Archives in Cheyenne for historical preservation and public digital access. I and others continue to attend webinars each month on funding opportunities to pursue project grant funds for Hudson.
