MAYOR'S MINUTE

July 2025 Mayor's Minute

I hope everyone is enjoying their last month of summer! **Hudson's Level One Water Master Plan** report is approved for final production yesterday, and the town will receive its copies within a week or so. After receipt, a "public" copy will be available at town hall for review. The town's **Flood Mitigation** grant application is still pending, more to come as we receive the latest information. The schedule to receive the town's **Sewer Lift Station & Wastewater Lagoon** assessment has been amended and we are now looking at January 2026 for final delivery. The EPA agreed to include additional assessment information to prepare the town for future funding application(s) to start work. I conferenced with Rural Development and SLB for State/Federal funding, and based upon the conversation, I am optimistic the town can "braid" these two funding sources to significantly reduce our financial obligation. Last week I learned **Wind River Job Corps** received confirmation for reduced funding through December 2025, and standard level of funding for 2026. I am hopeful they will still be able to install our Welcome Sign on the south side of town. The Town Council and **Ordinance Committee** agreed and approved contracting American Legal Publishing's review, streamline and recodify the town's ordinances. They will also certify compliance with the current Wyoming Statutes. The adoption of the new ordinances will be sometime next year and after public hearing in accordance with statutory requirements. Trees were planted at the **Hudson Cemetery** and the cemetery looks great! A fresh cemetery map is ready for installation. A conference call is scheduled next week to set the date for the dedication of the Tony Berce memorial. **The Sviar Park** benches, and the **Gold Star Park** monument platform is scheduled to receive maintenance and repair as time permits. Meetings continue with the **Corral Ditch** regarding required changes and their associated costs. A different state depository was approved by the town council for town enterprise accounts. The new depository consistently pays returns at a higher rate than the current depository and net more deposit funds for the town. **Special Note: The Dessie Bebout Post Office dedication ceremony will be August 13, 2025, at 10:00 a.m. in the Shoshoni High School Auditorium the public is welcome.**

Hudson Houses of Worship and Comfort

✙ **Hudson Baptist Church**, 11 VanVleet Lane. Please join us for worship at 11:15 a.m. each Sunday. 307-223-9700
